New York 22, N.Y.

Dear Herbert:

I am deeply grateful for your recent contribution to the work of United Neighborhood Houses - and for your unfailing support of many activities in which I am interested.

The whole Settlement movement is growing stronger these days - the conversion of the old YWHA building on 110th Street to a vital center in that area; the new Manhattanville Center; the expansion of activities by the Jewish Association of Neighborhood Centers - all evidence this. Of course that wonderful building that you gave Henry Street, in memory of your son, offers increased opportunities to one of the best of our agencies.

Besides your interest in United Neighborhood Houses, I have the consciousness of your personal friendship that now goes back so very many years - and it pleases me immeasurably.

My best regards to you and Mrs. Lehman.

Faithfully yours,

Stanley M. Isaacs
President
