

SYLLABUS
FOR MY AWESOME CLASS

Professor
MW 9:10-3:55 PM
That's me on the left

Introduction:

Hello, and Welcome to my awesome class. My name is Professor and I am a celebrity doctor. I am not myself a celebrity—I merely perform surgeries on celebrities. Some of my most famous patients include but are not limited to Damon Wayans (stitch removal), Dolly Parton (high octane torn ACL), and Dan Rather (penis reduction). In this class you will listen to me talk at great length about things that I enjoy, such as sherry, boating, clocks, and ABBA. I am a happy man. Sometimes I will bring to class people who look like my children; I invite you to guess which people are and aren't my children, but this is not required. Observe my eyes.
